```
Lost And Forgotten
Peter Nalitch
Hm
Would you believe,
Em F#7
Lord of Mercy?
    D Em F#7
Would you be so Lord, Lord.
D Em C
I wanna love her now
          F#7
And I wanna feel that now with all,
          Em
                     F#7
All of those kisses and sweet embraces.
Chorus:
           Hm
    Here am I,
 Em7
               A7
    Lost and forgotten
                         Hm7
    For this cruel, cruel time,
            Em7
    When I m first time in love.
    Now that is why,
    Now that is why I say:
 Gm7 A7
    Lord of Mercy
         Dm
                      \mathbf{B}\mathbf{b}
    And I hope now that you hear me.
 Gm A7
    Oh, yes...
[Friend:]
Hm D
What are you doing man?
[Peter Nalitch:]
                   F#7
                              Hm
Yes, I m looking at her photos.
What should I do with them?
[Friend:]
                F#7
```

Drop them to the fire!

```
[Peter Nalitch:]
Oh, yes,
            Em
Yes, I gonna burn them now,
                   F#7
                                        Em
Cause I have to forget her now with all,
                     F#7
All of those kisses and sweet embraces.
Chorus:
    Here am I,
    Lost and forgotten
    For this cruel, cruel time,
    When I m first time in love.
    Now that is why,
    Now that is why I say:
    Lord of Mercy
    And I hope now that you hear me.
    0-o-o-oh...
           Hm7
    Here am I,
 Em7
               A7
    Lost and forgotten
    For this cruel, cruel time,
    When I m first time in love.
                Dm
    Now that is why,
    Now that is why I say:
 Gm7
          A7
    Lord of Mercy
          Dm
                            Bbmaj
    And I hope now that you hear me.
           A7
 Gm7
                        Dm
    Oh, bring her back to me.
