CHORDS ( **G#**, **C#**, **D#**, **G#** )

**G#**            **C#**            **D#**            **G#**

Maga Dog  
Sorry fi Maga Dog  
Him turn around bite you  
And if you jump outta fryin pan  
I know you jump inna fire yeah  
See you come from country in a country chuk  
Tell me say you a look a likkle wuk  
Gal go weh from dey  
Me no wan fe see you round here

**G#**                    **C#**                    **D#**                    **G#**

Chorus  
When I were with you look how you big and fat  
Now you look like a real wet rat  
Gal, go weh from me  
Me no wan fe see you round here

Chorus

**G#**            **C#**            **D#**                    **G#**

Me jus a do wha me hafi do  
Me no ha nothin more fi do with you  
And if you know wha me know  
You galang go turn poppy-show

Chorus

**G#**            **C#**                    **D#**                    **G#**

Your father gi you money fi buy piece of land  
You take your father money and buy obeah man  
But a young nay like you  
Should be cut with a filing tool

**G#**                    **C#**                    **D#**                    **G#**

Chorus
