Whatcha gonna do when your well runs dry?

Listen to me, darling

You cheat and you lie

Now you come a running

Running, wanting second try

You never miss your water

Till your well runs dry

Tell me, tell me

Whatcha gonna do when your well runs dry?

Whatcha gonna do when your well runs dry?

Whatcha gonna do when your well runs dry?

I d like to know

Whatcha gonna do when your well runs dry?

Sat down and sighed

And I heard you packing

I watched you pass by me

But you said nothing, not one single word

But I know you re gonna miss me

And you re gonna be blue

But tell me, tell me

Whatcha gonna do when you re feeling blue, Lord?

Whatcha gonna do, woman, when you re feeling blue?

Whatcha gonna do when you re feeling so blue?

I d like to know

Whatcha gonna do when you re feeling blue?

(solo)

Tell me, tell me

Whatcha gonna do when you re feeling blue?

Whatcha gonna do when you re feeling blue?

Whatcha gonna do when you re feeling so blue?

I d like to know

Whatcha gonna do when you re feeling blue?

Whatcha gonna do when your well runs dry, woman?

Whatcha gonna do when your well runs dry?

Whatcha gonna do when your well runs dry?

Whatcha gonna do?

I d like to know...
