Where You Gonna Run
Peter Tosh

[Intro]   **C D C A G F C D**

```
Dm                                    Gm
Where you gonna run
Am                              Dm    Gm    Am
Where you gonna hide
Dm                              Gm        Am
Who you tryin  to seek
 Dm                             Gm        Am
What you tryin  to find

         Dm
We re all in this race
      Gm        Am              Dm         Gm       Am
Everybody trying to keep a pace
           Dm
Can t get away
      Gm           Am      Dm    Gm    Am
No no, there is no escape
           Bb                   C
The world is faced with problems
                       Dm               C
And many illusions
      Bb                        C
Love is the man overstanding
                      Dm                  C
It s the only solution

Dm                                    Gm
Where you gonna run
Am                              Dm    Gm    Am
Where you gonna hide
Dm                              Gm        Am
Who you tryin  to seek
 Dm                             Gm        Am
What you tryin  to find

 Dm                                      Gm
People walking around in disguise
            Am              Dm               Gm       Am
Try to tell me what they re trying to hide
      Dm
 Cause what you re looking for
               Gm           Am           Dm
It s  tay here with you       all the time
            Bb                    C
The world is faced with problems
```

```
                    Dm                        C
And many illusions

(  Dm    Gm    Am  )
(  Dm    Gm    Am  )
(  Dm    Gm    Am  )
(  Dm    Gm    Am  )
(  Dm    Gm    Am  )
(  Dm    Gm    Am  )
(  Dm    Gm    Am  )
(  Dm    Gm    Am  )

        Bb                            C
Love is the man overstanding
                       Dm                       C
It s the only solution
            Bb                           C
The world is faced with problems
                       Dm                         C
And many illusions
        Bb                        C
Love is the man overstanding
                       Dm                         C
It s the only solution

Dm                                    Gm
Where you gonna run
Am                              Dm     Gm    Am
Where you gonna hide
Dm                                    Gm       Am
Who you tryin  to seek
 Dm                               Gm       Am
What you tryin  to find

Dm                                    Gm
Where you gonna run
Am                              Dm     Gm    Am
Where you gonna hide
Dm                                    Gm       Am
Who you tryin  to seek
 Dm                               Gm       Am
What you tryin  to find
```
