A **D** **A** **E**
I roamed and rambled and I followed my footsteps

A **D** **A** **E**
from the sparkling sands of her diamond desert

A **D** **A** **E**
and all around me, I've heard a voice

A **D**
I've heard a voice calling and singing

A **E**
This Land was made for you and me

Chorus:

A **D** **A**
This land is your land, This land is my land

E **A**
from California to the New York island

A **D** **A** **E**
from the redwood forest to the Gulf Stream waters

A **D** **A7** **E**
This land was made for you and me

A **D**
As I went walking that ribbon of highway

A **E**
I saw above me that endless skyway

A **D** **A**
I saw below me that golden valley

A **E**
This land was made for you and me

(chorus)

A **D**
As I went walking as the sun was shining

A **E**
the wheatfields waving and the dustclouds rolling in

A **D** **A** **D**
and the fog was lifting I heard a voice chanting

A **E**
This land was made for you and me

(chorus) (2x)
