2° Coro
=====

Bb C Dm **C** **Bb** **F**
And it s too late for Annie. She s gone away for good.
Bb **C** **Bb** **C**
There s so much that we could tell her, and now we wish we could.
Dm **C** **Dm** **C**
We would tell her Jesus loves her, tell her Jesus cares.
Dm **C** **Dm C Bb**
Tell her He can free her and her burdens bear.

But it s too late, it s too late for Annie.

If only we d have known her situation,
We d have tried to stop this useless tragedy.

Annie s lost forever, never to be found.

But there are lots of others like her all around.

3° Coro

=====

And it s not too late for Annie. She could be next to you.

Don t miss the chance to tell her before her life is through.

We gotta Tell her Jesus loves her, Tell her Jesus cares.

Tell her He can free her and her burdens bear.

Tell her Jesus loves her, Tell her Jesus cares.

Tell her He can free her and her burdens bear.

You ve got to tell her Jesus loves her, Tell her Jesus cares.

Tell her He can free her and her burdens bear.

It s not, too late
