Intro: **A** / **F#** / **C#** (5x)

A / **F#** / **C#**
It`s this summer and it rains
There she stood in the park
Her hairs are wet but she don t care
A few days before she lies here
With a boyfriend on the meadow

E / **D**
He looked to the sky and he doesn`t see at all (2x)

A / **F#** / **C#**
There was no cloud in the sky
No many stars on it to see
It?s finger explained onto the stars
He ask her but she sleeps
And it was like an angel weeps

E / **D**
He looked to the sky and he doesn`t see at all (2x)
Angel Weeps but you can`t see (3x)
