

**As Far As I Can See Acoustic  
Phantogram**

As Far as I can see (acoustic)  
by Phantogram

I figured it out from the youtube video  
( <http://www.youtube.com/watch?v=bioOAXLMbqo> )  
of Phantogram performing the song for Big Ugly Yellow Couch.

The lyrics are what I could make out,  
but listen to the song to get the rhythm of the singing.

( verse 1)

**C#**                    **G#**                    **Fm**                    **F#maj7**  
As far as I can see

**C#**                    \*                    **G#**                    **Fm**                    **F#maj7**  
Nobody loves me

**C#**                    **G#**                    **Fm**                    **F#maj7**  
As far as I can tell

**C#**                    **G#**                    **Fm**                    **F#maj7**  
Nobody loves you either

**C#**                    **G#**                    **Fm**                    **F#maj7**  
And we re not going down

**C#**                    **G#**                    **Fm**                    **F#maj7**  
Up down the stair case

**C#**                    **G#**                    **Fm**                    **F#maj7**  
and we re not going down

**C#**                    **G#**                    **Fm**                    **F#maj7**  
Up down the staircase above

( chorus )

**Bbm**                    **C#**  
Oooooooooo Aaaaaaaah

**Bbm**                    **C#**  
Oooooooooo Aaaaaaaah

( verse 2 )

**C#**                    **G#**                    **Fm**                    **F#maj7**

As far as I can see

**C#**                    \*                    **G#**                    **Fm**                    **F#maj7**

**C#**                    **G#**                    **Fm**                    **F#maj7**

As far as I can tell

**C#**                    **G#**                    **Fm**                    **F#maj7**

Nobody s listening to me

**C#**                    **G#**                    **Fm**                    **F#maj7**

And when you re crying out

**C#**                    \*                    **G#**                    **Fm**                    **F#maj7**

I ll find an answer

**C#**                    **G#**                    **Fm**                    **F#maj7**

**C#**                    **G#**                    **Fm**                    **F#maj7**

( chorus )

**Bbm**                    **C#**  
Oooooooooo Aaaaaaaah

Little arrangement every other verse line or so... I thought sounded good:
