

Hey Now Girl
Phantom Planet

Intro Chords:

A, E, F#, E, x2

A, E, D, A x2

A E F# E

Well let me tell you I have seen

A E F# E

a monster age of seventeen

A E D A

Who ll let you in to kick you out

A E D A

and knows what love is all about

Bm E A E F#

Hey now girl I see you walking by

Bm E A E F#

And long ago you used to stop and talk now you just wink your eye

D A

and I m surprised you look all grown up

D A D

A champagne glass next to a paper cup

A

I stopped you just to say it

Bm E

Hey now girl

A E F# E

Her tongue is black haven t you heard

A E F# E

her mutter those three dirty words

A E D A

For all those foolish boys to hear

A E D A

like a siren bringing ships so near

Bm E A E F#

Hey now girl I see you walking by

Bm E A E F#

And I remember how you used to smile or how hard you used to try

D A

It s in your eyes and I m in a trance

D A D

A winter chill next to a spring romance

A

I stopped you just to say it

Bm E

Hey now girl

Bm E

Hey now girl

Repeat intro chords:

A, E, F#, E, x2

A, E, D, A x2

Bm E

Hey now girl

Bm E

Hey now girl

Bm E Bm E

Who let you out into this world?

A, E, F#, E, x2 A, E, D, A x2

Hey now girl
