

Leader

Phantom Planet

E C#m F#m B

There are so many signs the end is now
Our leader told us so besides
We follow him blind, to and fro
Wherever he decides to go

He speaks, we listen
We ll see his vision

G Em Am D

He explained so easily
We are all the missing pieces
Maybe you ll fit right in too
Ask yourself, it might be true

E C#m F#m B

Now join our hands and come along
The day s about to dawn
You feel it coming
On and on the hour s upon you
Now it won t be long
You feel it coming

Now we ll put you in our uniform
Everyone will be reborn
Wear us over where your heart is
Your new life with us has started

You ll speak
He ll listen
We ll see
His vision

Join our hands and come along
The day s about to dawn
You feel it coming
On and on the hour s upon you
Now it won t be long
You feel it coming
Sitting on it all alone
We re on a ticking bomb
You feel it coming
On and on the hour s upon you
Now it won t be long

You feel it coming

You feel it coming
You feel it coming
(You feel it coming)
You feel it coming
You feel it coming

G Em Am D

Join our hands and come along
The day s about to dawn
You feel it coming
On and on the hour s upon you
Now it won t be long
You feel it coming
Sitting on it all alone
We re on a ticking bomb
You feel it coming
On and on the hour s upon you
Now it won t be long
You feel it coming

You feel it coming
You feel it coming
You feel it coming
You feel it coming
