## Leave Me Alone Phantom Planet

pHANTOM pLANET-Leave Me Alone You can figure out the rythym of the song pretty easily, as the focus of the song are the vocals. Intro chords: G, Cm G C9 I m overcast, a raincloud in the sky but i saw hope bright as the sun in your eyes you said things would look up so i hung around but i find i m still looking down CmThis just isn t my day G and to my dismay now C9 the words i cant say D wont you please just leave me alone I felt a sorrow so deep in my heart if death s in the script, maybe i d play the part C9 you said things would look up so i hung around but i find i m still looking down CmThis just isn t my day G and to my dismay now C9 the words i cant say wont you please just leave me alone D C9 Cm

That s it. Cool song to play for your friends, it makes you sound like you re  $\operatorname{\mathsf{good}}$  when

you ve only been playing for a year. If you have any questions abouit this song email me
