you dont call me back, but you never have
and it fills up, and cried enough to drive me mad, oh yeah
but i understand, you found a brand new band
and i hope someday somebody breaks your heart in two, your heart in two

and i ll be waiting around, waiting around for you
i ll be waiting around, waiting around for you, oh yeah
i ll be waiting around, waiting around for you

(Solo)

oh yeah

going to break your heart in two, your heart in two
and i ll be waiting around, waiting around for you
yeah i ll be waiting around, waiting around for you
yeah i ll be waiting around, waiting around for you
yeah i ll be waiting around, waiting around for you, uh huh
i ll be waiting around, waiting around for you

The verse and chorus are basically the same throughout the whole song, there might be a

little variation but it s easy to figure it out.
