

Just A Cloud Away
Pharrell Williams

Progression in song: **C Em Am G, C Am G**

Intro

C x4

(Chorus)

C Em Am G
This rainy day is temporary
C Em Am G
The contrast is why we got him
C Em Am G
Cause sunshine due is just a cloud

Am
Away way way way way way
Am
Way way way way way way (hey baby!)

(Verse)

C Em Am G
So what you blown a fuse (you blown a fuse)
C Em Am G
Well that happens to us all (that happens to us all)
C Em Am G
When I come with great news (I come with great news)
Am
The day could change (change) change (change) change (change) change (change)

(Verse)

We all, of course, been there before
Been there cryin, fightin
But all that good energy be your strong
Won't get away way way way

(Chorus)

This rainy day is temporary
The contrast is why we got him
Cause sunshine due is just a cloud away way way way way way
Way way way way way way (hey baby!)

(Verse)

Well today the rock star (today the rock star)
Feels like singing the blues (Feels like singing the blues)
Don't abandon that song (Don't abandon that song)
Cause the view could change (change) change (change) change (change) change
(change)

(Verse)

We all, of course, been there before
Been there cryin, fightin
But our gravity doesnâ€™t need the earth
Slow balling change (change) change (change) change (change) change (change)

(Chorus)

This rainy day is temporary
The contrast is why we got him
â€™Cause sunshine due is just a cloud away way way way way way
Way way way way way way (hey baby!)

(Bridge)

C **Am**
Everything is simply told
G
What goes around does come back around baby
C **Am**
Everything boomerangs
G
What goes up must come down
C **Am**
Love is won when itâ€™s close
G
Humility will keep your feet on the ground
C **Am**
So do your thing through the rain
G
If you understand, wonâ€™t you sing with me now?

(Chorus x2)

This rainy day is temporary
The contrast is why we got him
â€™Cause sunshine due is just a cloud away way way way way way
Way way way way way way

(These chords kinda work)
