

Prettiest Girls
Pharrell

Pharrell - Prettiest Girls

I really had no reference point for this song other than looking at the fingers of

this girl in this video: <https://www.youtube.com/watch?v=ElAckAHTkRk>.

I hope someone enjoys this and maybe can fix whatever mistakes I may have made.

A

Pretty girl, pretty girl,

A6

Oh no here comes a pretty girl , pretty girl

Em

Uh oh here comes a pretty girl...

A6

Em

Hey! I know what you are thinking

A6

Em

I know what you will say

A6

Em

you made up this whole far fetched thing

A6

Em

about the reasons that i have changed

F#m

Em

well i m still the tiger

F#m

Em

and the jungle is still my home

F#m

Em

but she blew out my fire

F#m

Em

and now my killer instincts are gone

A6

Em

what did you do?!!!

A6

Em

everything lost its worth to me

A6

Em

everything in this world

A6

Em

ever since it occurred to me that

A6

Em

you are the prettiest girls

A6

Em

my life is so amazing

A6 **Em**
let me explain how it got that way
F A6 **Em**
well if happiness was standing at your door
A6 **Em**
i mean tell me what would you say?

F#m **Em**
but i am no liar and you rearranged my home
F#m **Em**
and i wonder how i dont get tired
F#m **Em**
of loving the three of you instead of what i own

A6 **Em**
all that is gone!

A6 **Em**
everything lost its worth to me
A6 **Em**
everything in this world
A6 **Em**
ever since it occurred to me that
A6 **Em**
you are the prettiest girls

F#m **Em**
what are you doing to me?
F#m **Em**
what s so drastic all my friends see?
F#m
you say nothing, nothing, nothing
A6
but it s really something, something, something

Em
you won t answer me
A
and all the while
D
my heart just melts
G
from your innocent smile
C
it s strange
C#
oh god i think i have changed

oohhhh!!!!

there s one thing that s sure
is everyday i love you some more
my hand s been handcuffed

and loved by you
so is there really anything i could do?

when...

A6 **Em**

everything lost its worth to me

A6 **Em**

everything in this world

A6 **Em**

ever since it occurred to me that

A6 **Em**

you are the prettiest girls
