

**Waiting For The Axe To Fall**  
**Phideaux**

Capo 3rd fret

Verse 2 & 3 are just the same as the first one. Enjoy playing!

**Em**            **C**                    **Am**                    **Em**  
Waiting for the axe to fall  
**Em**            **C**                    **Am**                    **Em**  
You might stumble, you might crawl  
**Em**                    **C**                    **Am**                    **Em**  
Don t go any faster, it catches up to you  
**Em**                    **C**  
It will pull you down  
**Am**                                    **Em**            **D**            **C**  
Because of what you know  
                  **Em**  
It s true

Instr transition:   **A**    **G**    **A**    **Em**

You might be the sum of all  
Scratching through the firewall  
Don t go any further stranded out alone  
I pray for you now  
Be careful of your own

Instr: **E**, **Em**, **Am**, **E**

Waiting for the ice to thaw  
This collapse awaits us all  
Don t come any closer  
It s what you re meant to do  
Follow me out  
We might just make it through
