

Summers Gone
Phil Benson

Phil Benson - Summer s Gone
Tabbed by Dasell.

This tab/chords is done in standard tuning.
The song is originally in flat tuning. So if
you want to play in the same tuning that Phil
is playing in, tune your guitar a half step down and
move your chords a half step up. Have Fun! and God bless!

Intro:/Chorus: In Standerd Do half step Down

```

Verse

Abm C#m7 F#m7 B (x2)

Pre Chorus:

A A/G# F#m B (x2)

Flat Tuning

Verse:1

Abm C#m7

Summers Gone

F#m7 B

lights go down And all the curtains drawn

Abm C#m7 F#m7 B

And all I wan t is something to sing to

Abm C#m7

Summers Gone

F#m7 B

Your dizzy as your world, You slowly turn

Abm C#m7 F#m B

And I reach out to, but I can't hold on to

Pre-Chorus:

A **A/G#** **F#m-B**

Evenings walking in the sunset

A **A/G#** **F#m** **B**

But all that's good, I'll believe you past

Chorus:

My love, well it's never sweet as it was

oooooo

My love, I've been away too long

Thought I'd never leave you behind

But maybe it's time

Verse:2

Abm **C#m7**

Summers gone

F#m7 **B**

And I watch as the sunset turns to stars

Abm **C#m7** **F#m7** **B**

And I know, watching the world through

Abm **C#m7**

Summers gone

F#m7 **B**

And every day your slipping through my palms

Abm **C#m7** **F#m7** **B**

How I, once knew, you seemed to fall through

Pre-Chorus:2

A place I've never seen before

It's a carousel closing the door

Bridge:

It's too late to track There's no way I'll be

And night time passes by, how was I supposed to know

And now I'm looking back, you picked up and left

I'm never gonna leave you alone
