Somewhere down the road, you re gonna find a place  
It seems so far, but it never is

**Fm7**

You won t need to stay,

**Gm7**

**Fm7**

but you might lose your strength on the way

Sometimes you may feel you re the only one  
Cos all the things you thought were safe, now they re gone  
But you won t be alone, I ll be here to carry you along

**Gm7**

**Fm7**

Watching you til all your work is done

When you find your heart, you d better run with it  
Cos when she comes along, she could be breaking it  
No there s nothing wrong, you re learning to be strong  
Don t look back  
She may soon be gone, no don t look back  
She s not the only one, remember that

If your heart is beating fast, then you know she s right  
If you don t know what to say, well, that s all right  
You don t know what to do?  
Remember she is just as scared as you

Don t be shy, even when it hurts to say  
Remember, you re gonna get hurt someday, anyway  
Then you must lift your head, keep it there  
Remember what I said  
I ll always be with you don t forget  
Just look over your shoulder I ll be there.

If you look behind you, I will be there.
