get up on your feet, and shout out

The kids out there don t know how to react
The streets are getting tough
and that s a matter of fact
and I, I can t take it any longer
But we can t make it on our own

The people there find it hard to relate
They don t know how it feels
to be standing there on your own
Believe me, it s never too late
It s time to make a move, get up on your feet and shout

Hey! I m talking to you!

So there s only the one solution
Stop and think what s going on
You can draw your own conclusions
But we won t make it on our own

Someone better tell the people up there
I think they ought to know
The bubble s just about to burst
Tell them they d better beware
The word is on the street
Get up on your feet and shout

Stop, look down, everybody
Do you see what s going on
Around you, stop...
