**Phil Collins**

Intro: **F Bb F Bb**

Verse:

**F** **Bb** **C**  
I was lying awake last night, waiting for your call  
**F** **Bb** **C**  
But if the rumours are true, that won't bother you at all  
**Fmaj7** **Bb**  
I'm trying hard to understand  
**F** **Bb**  
What it takes to be your man  
**F** **Bb** **C**  
Now I don't have to wonder anymore

Chorus:

**F** **Bb** **C**  
Least you can do is say you're sorry  
**F** **Bb** **C**  
Least you can do is give me back my heart  
**F B F B**  
Just give me back my heart

Verse:

**F** **Bb** **C**  
Seems living in hope was wrong those years I was away  
**F** **Bb** **C**  
Thinking your letters, I never received, had gone astray  
**Fmaj7** **Bb**  
You said you'd always be there for me  
**F** **Bb**  
Like a fool I thought you'd be  
**F** **Bb** **C**  
Now I don't know what I was thinking at all

Chorus:

**F** **Bb** **C**  
But the least you can do is say you're sorry girl  
**F** **Bb** **C**  
Least you can do is give me back my heart

I won't come around no more
