C                     C/Bb
 Tell everybody I m on my way
      Am7                   G
New friends and new places to see
     F                   C     G
With blue skies ahead, yes I m on my way
          Bb                 G
And there s no where else I d rather be

C                    Bb
 Tell everybody I m on my way
         F              G
And I m loving every step I take
          F                 C     G
With the sun beating down, yes I m on my way
     Bb                 G
And I can t keep this smile off my face

               Eb                        Cm
Cause there s nothing like, seeing each other again
   Eb                      Bb
No matter what the distance between
      Cm              Eb                 Ab
And the stories that we tell, will make you smile
   Bb              C
Oh really lifts my heart

C                    C/Bb
 So tell em all I m on my way
     Am7                    G
New friends and new places to see
         F                    C       G
And to sleep under the stars who could ask for more
        Bb               G
With the moon keeping watch over me

         Eb                   Cm
Not the snow and not the rain, can change my mind
```

```
   Eb                           Bb
The sun will come out, wait and see
       Cm                        Eb              Ab
And the feeling of the wind in your face can lift your heart
            Bb                      G
Oh... theres no where I would rather be

G/F#                 Em
 Cause I m on my way now
