Something s familiar about these strangers like me
(Verse 2)
Every gesture, every move that she makes
Makes me feel like never before
Why do I have
This growing need to be beside her
```

(pre Chorus)

Ooo, these emotions I never knew
Of some other world far beyond this place
Beyond the trees, above the clouds
I see before me a new horizon
(Chorus)
I wanna know, can you show me
I wanna know about these strangers like me
Tell me more, please show me
Something s familiar about these strangers like me
