Verse:

```

      G           D/F           E
We stand, hang our heads disbelieving
           G           D/F           E
then not knowing how could such a thing be wrong
      G           D/F           E
we wonder just what they must be thinking
      G           D/F           E
to take a life of one so young

```

Pre-Chorus:

```

           E           D/F           E
So tell me.. when will it be over now, how soon?
           E           D/F           E
how far must we go, to prove to you?

```

Verse:

We wait and we wonder how this happened
killing the old, the innocent, the young

while sons follow in fathers footsteps not understanding
that what they do could somehow be so wrong

So tell me.. when will it be over now, how soon?

 E D/F E
how far must we go, to prove to you?

 G D/F E
So we will wait and we ll wonder

No regrets, no forgiveness, no compasssion
these brave heroes only know to hit and run
slowly my sadness turns to rage and we wonder
how can these scars ever heal, when all is said and done

So tell me.. when will it be over now, how soon?

 E D/F E
how far must we go, to prove to you?

 E D/F E
Please tell me..when will it be over now, how soon?

 E D/F E
how far must we go, to prove to you?

 G D/F E
So we wait and we wonder
