But she s got a heart must be made of stone

Db/Eb

Cos when I tell her

Eb

that she ll miss me when I m gone

She says Who said I would?

She knows it ain t easy for a simple boy like me  
She fills me full of loving  
Oh then she sets me free  
But she s got a heart must be made of stone  
Cos when I tell her that she ll miss me when I m gone

She says

Who said I would, tell me, who said I would  
Who said I would, who said I would

F

Fsus4/9 F Eb

I m not the only one but I do fine  
I suit her purpose and I m just her kind

G

Gsus4/9 G F

I don t own her and I never could  
Don t think I do, don t think I should

Tell me

Who said I would, who said I would

But she s got a heart must be made of stone  
And when I tell her that she ll miss me when I m gone

You re not the only one but you do fine

You suit my purpose and you're just my kind  
I don't own me and you never could  
Don't think you do, don't think you should

Who said I would (who said I would)  
Now she knows when she calls me  
I'll come running every time  
And she knows she gets me hot  
But she doesn't know it's her body never mine

And she's got a heart must be made of stone  
Cos when I tell her that she'll miss me when I'm gone  
She says  
Who said I would, tell me, who said I would  
Who said I would, who said I would
