The Shores of the Swilly
- Phil Coulter

G C G C Em Am G D G

G C G C
By the shores of the Swilly, two children at play
Em Am G D
The king of the castle, the queen of the may
G C G C
Just me and my sister, in a world of pretend
Em Am G D G
Where the sun would keep shining, the day never end

G C G C
By the shores of the Swilly, now with kids of our own
Em Am G D
Another year over, and see how they ve grown
G C G C
Then we d watch the last sunset, and walk arm in arm
Em Am G D G
Till I see you next summer; God keep you from harm

Em C G C
And if I was a flier who crashed now and then,
Em C G D
she would put me together and fly me again.

Em C G C
And if I was a flier who crashed now and then,
Em C G D
she would put me together and fly me again.

G C G C
By the shores of the Swilly, with an aching inside
Em Am G D
I ll watch as her body is raised from the tide...
G C G C
Her life has been taken, and I ll never know why
Em Am G D G

but I feel in that moment, a part of me died...
