Great song from 1981. #22 USA, #6 Australia. I couldn't find a tab anywhere, so here is my version. I know it is not perfect, so I hope someone out there can improve on it, particularly the intro. Anyway, it's a start...

(Big thanks to Rustybone for suggesting Bm instead of A during the chorus... I think it sounds better that way... still having trouble with the ending)

Intro:

D D

D A
Well baby baby don't you leave me here to make it alone

D Em
Cos I don't think that I could take it for a day on my own Why would

Em A
you wanna hurt me When I

Em A
love you baby can't you see That you're precious to

D Bm
me ee And I can't let you
(I love you so)

D Bm
go oh Baby one day you'll
(can't let you go)

D Bm
see ee That you'll always
(girl can't you see)

D Bm
be ee So precious to
(you'll always be)

G A
me eee eee eee eee
