

C#m

Start the ascension
Begin the holy climb

D#m **B D#m**

Up to where heaven and the earth collide

C#m

Bring your affection
All that you have inside

D#m **B----D#m**

Enter the kingdom and become al--ive

Pre-Chorus:

C#m

B **C#m**

Love with no condition

B **C#m** **B**
It lives for holding nothing back, nothing back

Chorus:

E **C#m**
We re after Your heart, after Your heart

B **A**
All of the walls now are breaking apart

E **C#m**
Live like we see it love like we mean it

B **A**
This is the start we re after Your heart

Bridge:

E
Oh lets go higher and higher

B
Hear the song of the free

C#m **A**
Hallelujah, Hallelujah

E
Lift your soul join with the choir

B
Sing the song, let it ring

C#m **A**
Hallelujah, Hallelujah

E

Chorus:

E **C#m**
We re after Your heart, after Your heart

B **A**
All of the walls now are breaking apart

E

C#m

Live like we see it love like we mean it

B

E

This is the start we re after Your heart
