

**I See Your Face Beautiful**  
**Phil Wickham**

verse 1

**A**                    **D**  
I see Your face in every sun rise,  
                  **F#m7**            **Esus4**            **E**  
the colours of the morning are inside your eyes  
**A**                    **D**  
The world awakens in the light of the day,  
                  **F#m7**            **Esus4**            **E**  
I look up to the sky and say: You re beautiful

chorus

**A D F#m7 Esus4 E**  
                  You re beautiful  
**A D F#m7 Esus4 E**

verse 2

**A**                                    **D**  
I see your power in the moonlit night,  
                                  **F#m7**                                    **Esus4**                                    **E**  
where the planets are in motion and galaxies are bright.  
**A**                    **D**  
We are amazed in the light of the stars;  
                  **F#m7**                                    **Esus4**                                    **E**  
it s all proclaiming who you are: You re beautiful

Verse 3

**A**    **D**  
I see you there hanging on a tree,  
                  **F#m7**                                    **Esus4**                                    **E**  
You bled and then You died and then You rose again for me.  
**A**                    **D**  
Now you are sitting on Your heavenly throne;  
                  **F#m7**                                    **Esus4**                                    **E**  
and soon we will be coming home: You re beautiful

verse 4

**A**                    **D**  
When we arrive at eternity s shore,  
                  **F#m7**                                    **Esus4**                                    **E**  
where death is just a memory and tears are no more,  
**A**    **D**  
We ll enter in as the wedding bells ring;  
                  **F#m7**                                    **Esus4**                                    **E**  
Your bride will come together and we ll sing: You re beautiful
