Chorus
----
When we arrive at eternity's shore
Where death is just a memory and tears are no more
We'll enter in as the wedding bells ring
Your bride will come together and we'll sing
                     G
You're beautiful,
                     С
                                        D
You re beautiful,
                     G
                                        \mathbf{Em}
You re beautiful,
                     C
                                        D
