

Storm Song
Phildel

Official site: <http://www.phildel.com/>

Chords are taken from her ukelele video
(http://www.youtube.com/watch?v=m_lia2ArHO8)

Actual chords: (without capo)

F, Am, Em, F, then
Dm, F, Am

OR, with Capo 5 for the fingerpicking (it also sounds better with a D than the
Bm
it technically is supposed to be)

C, Em, D, C, then
Am, C, Em.

I also like to put some lower notes in with my thumb just to make the sound more
full,
but it s only the GBe that are really important.

NOTE:

* The changes between the fingerpicking and strumming aren't perfectly aligned with the verses, but change at the asterisks.

* When playing the strumming part for the Em chord in the chorus, it's played with the same note changes on the e string as indicated in the tab.
