

Union Stone
Phildel

Gorgeous song!

Intro:

C#m **A** **E**
You know even stones change shape in time
B **C#m**
Willingly they compromise
 A **E**
And the sacrifice is mine

B **C#m**
For your eyes
 A **E**
Cause the feeling you bring home
 B **C#m**
Is comfort in the coldest stone
A **E**
Like a wish I go, I go
B
To be yours.

C#m **A** **E** **B**
Remember the way to the old town
C#m **A** **E** **B**
Clear as my call from the fair ground
C#m **A** **E** **B**
Rip my lace to your shape now
C#m **A** **E** **B**
I ll ask you for more of what you found

C#m **A** **E**
And the union is carved
 B **C#m**
From stone that is not to be halved
 A **E**
And the imprints of the blood
B **C#m**
Call this love
 A **E**
And I join you in your walls
 B **C#m**
We realize our own faults
 A **E**
And as hearts we go, we go
B
Humbled
