Here we go now a year later,  
Its starting, its starting,  
the same old story,  
just another year,  
now i dont know where we go from here,  
we can take it, or we can break it  
this given chance we got going here  
we got going here

How did I fall so far away,  
So far away, so far away,  
why did you leave after all we done,  
after all we done, after all we done

Dont know why, Don t know how,  
she does it, she does it,  
So calmly so brainlessly,  
like nothing matters anymore,  
so here i go now,  
with my own luck,  
see the destiny what its waiting,  
where its waiting,

How did I fall so far away,  
So far away, so far away,  
why did you leave after all we done,  
after all we done, after all we done

How did I fall so far away,  
So far away, so far away,  
why did you leave after all we done,  
after all we done, after all we done
