

Hold On

Philip Drake

Em, C, G, D

keep strumming these 4 chords and sing along you should be able to figure it out.

strum them in that order through the whole song.

Now just let it go
and let it all fall
and let it all fall
your whole world is clearing up
its clearing up
its clearing up
please dont forget to lock away
all those bad memories
memories

Just hold on you cant fall down
when i m here to hold you
so just let go
just let go

dont worry so much
just let it all go
just let it all go
you got alot into the horizon
its lifting up
its lifting up
please dont forget to lock away
all those bad memories
memories

Just hold on you cant fall down
when i m here to hold you
so just let go
just let go

Just hold on you cant fall down
when i m here to hold you
so just let go
just let go
