

Bis Nach Toulouse

Philipp Poisel

It s a great song and so i thought it would be great to figure out the basic Chords of it:)

In the Verse you play:

and **C**

And in the Chorus it s:

Am G C C

You should be able to figure out the rythm for yourselves;)

It s my first tab and I think it should work out. So please rate!

And buyhis Album he deserves it, because his music is just great!
