Beautiful day " Philippe Nix

F# C#

Wake up in the morning

B F#

The computer is already starting

C#

Goin'™ down the stair

B F#

I'm informed by my flair

B C# F#

Today is gonna be a beautiful day

B C# F#

Today is gonna be a beautiful day beautiful day

C#

Providin'™ me with food

B F#

So I feel good

C#

Phonin'™ in sick at work

B F#

Fightin'™ on a pixel-burg

B C# F#

Today is gonna be a beautiful day

B C# F#

Today is gonna be a beautiful day beautiful day

C#

As a tank a have to protect

B F#

My healer that is fact

C#

So I take my paladin

B F#

Because that's the position I can put myself in

C# Eb

To be a gamer is an attitude to life

F# C# Eb

In my fantastic world I am a hero with a knife

B C# F#

Today is gonna be a beautiful day

B C# F#

Today is gonna be a beautiful day beautiful day

C#

A day like today

B F#

I could have every day

C#

And all night long

B F#

I would sing this song

B C# F#

Today is gonna be a beautiful day

B C# F#

Today is gonna be a beautiful day beautiful day
