Lucky Bastard " Philippe Nix

G C

My girlfriend left me

G D

With my house and my car

G C

A shadow comes over me

D G

Because that is so hard

C

Every time the same story

G D

The same story in every song

G C

And everybody's the only one

D G

Who's treated wrong

C

On the other hand

G D

I should show you respect

G C

Because I don't know

D G

How to write songs so sad

A

I wouldn't be so fine

C G

If I hadn't all time

A

An inner voice that tells me to be happy

C G

So I'm a lucky man hey lucky lucky

A

I wouldn't be so amused

C G

If I didn't know that you're confused

A

And absolutely uninterested

C G

In this song oh I'm a lucky bastard

C

Okay I promise now

G D

To do all I can

G C

To write some other songs

D G

Those are no more rants

C

In defence I just can say

G D

The lyrics comes over me

G C

So quick that I donâ€™t have time

D G

To think of another rhyme

C

Well I could forget the lyrics

G D

And write some others

G C

But isnâ€™t it prodigality

D G

Even if the songs are of bad quality

A

I wouldnâ€™t be so fine

C G

If I hadnâ€™t all time

A

An inner voice that tells me to be happy

C G

So Iâ€™m a lucky man hey lucky lucky

A

I wouldnâ€™t be so amused

C G

If I didnâ€™t know that youâ€™re confused

A

And absolutely uninterested

C G

In this song oh Iâ€™m a lucky bastard
