

Lucky Bastard
Philippe Nix

Lucky Bastard © Philippe Nix

G# C#

My girlfriend left me

G# Eb

With my house and my car

G# C#

A shadow comes over me

Eb G#

Because that is so hard

C#

Every time the same story

G# Eb

The same story in every song

G# C#

And everybody's the only one

Eb G#

Who's treated wrong

C#

On the other hand

G# Eb

I should show you respect

G# C#

Because I don't know

Eb G#

How to write songs so sad

Bb

I wouldn't be so fine

C# G#

If I hadn't all time

Bb

An inner voice that tells me to be happy

C# G#

So I'm a lucky man hey lucky lucky

Bb

I wouldn't be so amused

C# G#

If I didn't know that you're confused

Bb

And absolutely uninterested

C# G#

In this song oh I'm a lucky bastard

C#

Okay I promise now

G# Eb

To do all I can

G# C#

To write some other songs

Eb G#

Those are no more rants

C#

In defence I just can say

G# Eb

The lyrics comes over me

G# C#

So quick that I donâ€™t have time

Eb G#

To think of another rhyme

C#

Well I could forget the lyrics

G# Eb

And write some others

G# C#

But isnâ€™t it prodigality

Eb G#

Even if the songs are of bad quality

Bb

I wouldnâ€™t be so fine

C# G#

If I hadnâ€™t all time

Bb

An inner voice that tells me to be happy

C# G#

So Iâ€™m a lucky man hey lucky lucky

Bb

I wouldnâ€™t be so amused

C# G#

If I didnâ€™t know that youâ€™re confused

Bb

And absolutely uninterested

C# G#

In this song oh Iâ€™m a lucky bastard
