Lucky Bastard © Philippe Nix

A D

My girlfriend left me

A E

With my house and my car

A D

A shadow comes over me

E A

Because that is so hard

D

Every time the same story

A E

The same story in every song

A D

And everybody's the only one

E A

Who's treated wrong

D

On the other hand

A E

I should show you respect

A D

Because I don't know

E A

How to write songs so sad

B

I wouldn't be so fine

D A

If I hadn't all time

B

An inner voice that tells me to be happy

D A

So I'm a lucky man hey lucky lucky

B

I wouldn't be so amused

D A

If I didn't know that you're confused

B

And absolutely uninterested

D A

In this song oh I'm a lucky bastard

D

Okay I promise now

A E

To do all I can

A D

To write some other songs

E A

Those are no more rants

D

In defence I just can say

A E

The lyrics comes over me

A D

So quick that I donâ€™t have time

E A

To think of another rhyme

D

Well I could forget the lyrics

A E

And write some others

A D

But isnâ€™t it prodigality

E A

Even if the songs are of bad quality

B

I wouldnâ€™t be so fine

D A

If I hadnâ€™t all time

B

An inner voice that tells me to be happy

D A

So Iâ€™m a lucky man hey lucky lucky

B

I wouldnâ€™t be so amused

D A

If I didnâ€™t know that youâ€™re confused

B

And absolutely uninterested

D A

In this song oh Iâ€™m a lucky bastard
