(INTRO I)
Holding on to what isn t there
Tryring to find my place
Can anyone see what s really me
Behind a smile, behind this face
Broken, struggling, in the dark
Oh just to stay onboard
(PRE-CHORUS)
But the only thing saving me, is your love
Loving you is saving me

                C
  Won t you take me from the clouds buried in grey
Dm
                         C
  All the colors are mixing in my head I can t see which way
                  C

  Only see you out of thousands coming my way
  You re all I want to see All I want to touch and feel in every way
(INTRO II)
Turning in the breeze, never leaving this
Never hard to understand
Seems everyone around is free
It seems like everything just tick-tocks away
Falling with no wings to fly
Like an angel that s lost her way
