```

G **C** **G**
I ll tell you bout the driver that lives inside my head
G **C** **Em** **D**
starts me up and stops me and puts me into bed
G **C** **G**
he opens up my mouth when its time for me to talk
G **C** **G**
and fires up my legs when he wants me to walk

Chorus:

C-riff

C **G** **C** **G**
Keeps my eyes open for most of the day
C **G** **Em** **D**
adds to my memory the things people say
C **G** **C** **Em**
when he makes decisions I don t have to wait
C **G**
and sometimes it seems that he s got too much on his plate

Like this morning when I woke up and he dressed me in this shirt
it looks a little ragged when he dragged me through the dirt
I m moving through this life and I m thinking bout the next
I m hoping when I get there I ll be better dressed

Chorus repeated with last line replaced with:

G
I ll tell you bout the driver
C **G**
that lives inside my head

C-riff
