Fast Enough For You
Phish

The intro theme is like this:
Intro riff [2x guitar only, then 4x full band]
          [Verses start in last half of last measure]

```
    C7sus4              C
E-|----------------|----------------|
B-|------1-------1-|------1----------|
G-|----3-------3---|--0-------------|
D-|--3-------3-----|2---------------|
A-|3-------3-------|----3-----------|
E-|----------------|----------------|
```

```
    C7sus4              C
E-|----------------|----------------|
B-|------1-------1-|--------1-------|
G-|----3-------3---|--------0-------|
D-|--3-------3-----|--------2-------|
A-|3-------3-------|3--------------|
E-|----------------|----------------|
```

```
                        If time were only
F           C
part of the equation
                        F                 G
Then you could draw the boundaries of our cage
    F         Em    Dm          Em
You wouldn t pile another stone upon me
    Eb        Bb/D* Bb                C
And I d be happy just to watch you age.
```

```
[But everything is]in its own dominion
And waiting in the shallows as I do
Appeases me as water slowly trickles out
Which isn t nearly fast enough for you.
F                 G           C
  It isn t nearly fast enough for you
F                 G            Em
  It isn t nearly fast enough for you
F           Am/E  G/D
  It s what I was afraid of
    C           F
  I stumble into view
        Eb    Bb/D  Bb              C
  But it isn t nearly fast enough for you
     Eb    Bb/D  Bb             C   (3x)
  It isn t nearly fast enough for you.
```

*This Bb/D might really simply be an Eb/D.

Play intro theme under solo 4 times, then repeat the chorus, repeating the chorus outtro
under the guitar solo and fade.
