tabbed by-Erez (E-mOnEy!)

This is mostly a transcription of what you should play on guitar, but it s mostly keyboards.

I am only showing you the chords! Not how many times you strum so print this and listen to the A Live One and play along!

Intro-

```
-----|
-7-----|
-8-----6-----8^--|
-8---8---6-----6-6--8---|
-6---8---4---6-6-6--9-9-9-----|
-----6-----|
```

The rest of the time play these 4 chords.

```
-----4-----|
-7---4---6---9---|
-8---5---6---8---|
-8---6---6---8---|
-6---6---4---6---|
-----4-----|
```

Every so often it ends on this chord 606770 instead of 068890.

Lyrics>

There s a mouse starin out of the window
His car is trapped in the snow
He s planning a family vacation
But he just can t go
Around the next corner s a red bird

His feathers are trapped in a sling
 He s passed by some gunslinging parrot
 Who s jealous he ain t got no grin
 There ain t no time to stash the gumbo
 Or rattle around in a cage
 The sacrificed child s made bubbles
 And spittle is everywhere enraged
 In a hot sand or in a my feet
 They re blistered and caked with debris
 Chez rolez is guarding the tote board
 While Angry piddles with glee
 There s a fool writing notes out on sandpaper
 He s sending them off to himself
 He gets them a couple days later
 Who put them along his top shelf
 If you get tired of shavings
 And carve up a good hunk of wood
 Remembering to check on the sausage
 He s got cooking somewhere look good

I hope this helps. Peace,E-mOnEy!

 sounds, then just play the bass note.
