additions/improvements welcome

Main riff:

```

                        E E
-----7-7-----|
-----9-9-----|
-----5-----9-9-----|
-----5-7---7-5---9-9-----|
--5--7-----7-7-----|
-----0-----|
  
```

Whine? Whine? Car horn
 Now that you ve deceived me
 and play my name around
 and hung those nasty flyers
 on all the buildings in the town
 Dribbled my possessions
 in a ring around the earth
 and Bought and sold my self control
 for less than it was worth
 now the reason
 that i m feeling so forlorn
 I ll pick you up at eight as usual
 listen for my horn
 Whine? Whine? Car horn

```
