

Lawnboy

Phish

Tabbed By: Brian Flanders (ZBeAnErZ@*)

This is a pretty easy song...nice laid back bluesy bass line

Notation: / = slide up = slide down
 h = hammer on

*note: the notes directly over one another are struck at the same time together.....

Intro:

That s basically it...all you have to do is listen to the song play this
tab a little

and you ll have it down.....repeat the main rhythm after that and it s
over...

Have Fun!!! :p
