Ahh, what a beautiful song. I just had to learn how to play it. Here s  
what I wound up with:

Strange Design  
-----

**B Em C D**  
I m needing

**G D**  
less restraint before

**B Em C D**  
I m needing

**G**  
to hit the lights and close the door

**D Em C D**  
I m fine, I m fine, cause I m...

CHORUS:

**G Am**  
Dripping in a strange design

**Bm C**  
none is yours and far less mine

**G Am**  
hold the wheel, read the sign

**Bm**                    **C**  
keep the tires off the line

**G**                    **Am**  
just relax you re doing fine

**Bm**                    **C**  
swimming in this real thing

**Am**  
I call a life, but can I bring

**C**            **D**            **G**  
a few companions on this ride?

[Second verse, same chords as before:]

I m feeling my heart s not beating anymore  
I m feeling it s all right this happened once before  
I m fine, I m fine, cause I m...

[Back to the chorus]

That s it. Pretty simple, lots of fun to play. Enjoy!
