

**Me And My Dog**  
**Phoebe Bridgers**

[Intro]

**C**

[Verse 1: Phoebe Bridgers]

**C**

We had a great day

**C/G**

Even though we forgot to eat

**C/F**

And you had a bad dream

**C**

Then we got no sleep

**C/G C/F**

Cause we were kissing

[Verse 2: Phoebe Bridgers]

**C**

I had a fever

**C/G**

Until I met you

**C/F**

Now you make me cool

**C**

But sometimes I still do

**C/G C/F**

Something embarrassing

[Chorus: Phoebe Bridgers, Julien Baker, Lucy Dacus]

**C C/G C/F**

I never said I d be all right

**C C/G C/F**

Just thought I can hold myself together

**C C/G C/F**

But I couldn t breathe, I went outside

**C C/G C/F**

Don t know why I thought it d be any better

**C C/G C/F**

I m fine now, it doesn t matter

[Verse]

**C C/G C/F**

I didn t wanna be this guy

**C C/G C/F**

I cried at your show with the teenagers

**C C/G C/F**

Tell your friend I ll be all right

**C C/G C/F**

In the morning it won't matter

**C C/G C/F**

I wanna be emaciated

**C C/G C/F**

I wanna hear one song without thinking of you

**C C/G C/F**

I wish I was on a spaceship

**C C/G C/F**

Just me and my dog and an impossible view

[Outro: Phoebe Bridgers, Julien Baker, Lucy Dacus]

**C C/B C/F**

I dream about it

**C C/B C/F**

And I wake up from it
