

Grandma Song
Phoebe Buffay

People spell it Buffet, but it s actually Buffay :S

Phoebe is an awesome character from the awesome show FRIENDS
She writes awesome music and this is one of my favourites she s done,
Even if the lyrics are kinda mean...
Anyways - ENJOY!!!!!!

A		D	
Now	Grandma	s a person that	everyone likes
E		A	
She	bought	ypu a train and a	Big shiny bike
A		D	E
But	you ve	noticed when you see	her she s getting much thinner
A		D	E
And	you can t	remember the last time	she came round for dinner
A		D	
Your	parents	they lied said	she moved to Peru
E		A	
But	the truth	is she died and	someday you will too
D	E	A	
La	La	La	La
D	E	A	
La	La	La	La

I know she kinda does it one strum per chord, but with this I think it sounds better to do a few per chord if you know what I mean...
But yeah - I hope it sounds right to everyone else - leave your comments :D
