

Grandma Song
Phoebe Buffay

People spell it Buffet, but it s actually Buffay :S

Phoebe is an awesome character from the awesome show FRIENDS
She writes awesome music and this is one of my favourites she s done,
Even if the lyrics are kinda mean...
Anyways - ENJOY!!!!!!

Bb **Eb**
Now Grandma s a person that everyone likes
F **Bb**
She bought ypu a train and a Big shiny bike
Bb **Eb** **F**
But you ve noticed when you see her she s getting much thinner
Bb **Eb** **F**
And you can t remember the last time she came round for dinner
Bb **Eb**
Your parents they lied said she moved to Peru
F **Bb**
But the truth is she died and someday you will too
Eb **F** **Bb**
La La La La La La La La La
Eb **F** **Bb**
La La La La La La La La La

I know she kinda does it one strum per chord, but with this I think it sounds better to do a few per chord if you know what I mean...
But yeah - I hope it sounds right to everyone else - leave your comments :D
