

**Grandma Song**  
**Phoebe Buffay**

Phoebe is an awesome character from the awesome show FRIENDS  
She writes awesome music and this is one of my favourites she s done,  
Even if the lyrics are kinda mean...  
Anyways - ENJOY!!!!!!

I know she kinda does it one strum per chord, but with this I think it sounds better to do a few per chord if you know what I mean...  
But yeah - I hope it sounds right to everyone else - leave your comments :D
