

1901

Phoenix

Strum pattern: 5 strums for each chord, then 2 for the last **C** and 3 for the last **Am** in the second line.

[Intro]

F7 Am7 C Am

F7 Am7 C C Am (quick transition)

[Verse 1]

F7 Am7 C Am

Counting all different ideas drifting away

F7 Am7 C Am

Past and present, they don't matter now the future's sorted out

Watch her move in elliptical patterns

Think it's not what you say, what you say is way too complicated

For a minute, though, I couldn't tell how to fall out

[Chorus]

C F/C (x6)

It's twenty seconds 'til the last call

Calling hey, hey, hey, hey, hey, hey

C/G F/G (x6)

Lie down, you know it's easy

Like we did it all the summer long

C F/C (x6)

And I'll be anything you ask and more

Going hey, hey, hey, hey, hey, hey

C/G F/G (x6)

It's not a miracle we needed

No, I wouldn't let you think so

[Post-chorus]

F7 Am7 C Am

Folded, folded, folded, folded

F7 Am7 C C Am

Folded, folded, folded, folded

[Verse 2]

Girlfriend, oh, your girlfriend is drifting away

Past and present, 1855, 1901

Watch them build up a meteor tower

Think it's not gonna stay anyway, I think it's overrated

For a minute, though, I couldn't tell how to fall out

[Chorus]

C F/C (x6)

It's twenty seconds til the last call

Calling hey, hey, hey, hey, hey, hey

C/G F/G (x6)

Lie down, you know it's easy

Like we did it all the summer long

C F/C (x6)

And I'll be anything you ask and more

Going hey, hey, hey, hey, hey, hey

C/G F/G (x6)

It's not a miracle we needed

No, I wouldn't let you think so

[Post-chorus]

Folded, folded, folded, folded

Folded, folded, folded, folded

Folded, folded, folded, folded

Folded, folded, folded, folded
