

**Consolation Prizes**

**Phoenix**

Capo 6

[Intro]

**C Am G6**

[Verse 1]

**C**  
It started all in early september When my godgiven little became a lot older  
**F7/C**  
Goodbyes seal my broken heart. Hold on to your tear  
**C Am G6**  
drops, you got a long way to go

**C**  
Did you get older doing nothing today? Don t you wanna stop complaining?  
**F7/C**  
If one is easy then hard is two, noone knows where you re heading to  
**C**  
Once my private collection always betting on you

[Chorus]

**Am G6 F7/C**  
No consolation prizes  
**Am G6 C**  
Spit out your lies and chewing gum  
**Am G6 F7/C**  
Cut off your hair yeah that s it!  
**Am G6 C**  
If you look like that I swear I m gonna love you more

[Verse 2]

**C**  
I thought about this for a long time. Never had the chance to try nâ€™ make it better  
**F7/C C**  
My heart is waiting for a new you. And thereâ€™s no other option on the schedule  
**C**  
Love like ours should never die with years, once you start you can t ever go backwards Cause  
**F7/C**  
Cause if dark is one then bright is two Noone knows where we re heading to  
**C**  
No matter what it takes, never give up on you

**Dm Am G6**  
I want you to change it all. I am gonna make it better

[Chorus] (x2)

**Am G6 F7/C**

No consolation prizes

**Am G6 C**

Spit out your lies and chewing gum

**Am G6 F7/C**

Cut off your hair yeah that s it!

**Am G6 C**

If you look like that I swear I m gonna love you more

**C Am G6**

**F7/C Am G6**
